This is a blended fertiliser in which some segregation of the ingredients may occur, and may lead to some variation from the stated analysis.

USE DIRECTIONS
This fertiliser is for dry application to the soil. Do not use in foliar sprays. This product is for agricultural use only. It may cause eye and skin irritation. Wear protective clothing as necessary when handling the product, e.g. long trousers and long-sleeved shirt, goggles and gloves. Do not use on playgrounds, sporting fields or lawns. The half-life of NBPT in storage is three months.

Should this product not meet your expectations, please contact your fertiliser supplier before use. Before using fertiliser seek appropriate agronomic advice. Fertiliser may burn and/or damage pasture and crops, and affect the health of grazing animals. Avoid direct ingestion by livestock. Because climatic and soil conditions, application methods, irrigation, agricultural and grazing management practices are beyond the control of Incitec Pivot Limited and cannot be foreseen, Incitec Pivot Limited accepts no responsibility whatsoever for any commercial damage, loss or other result following the use of this product whether used in accordance with directions or not, subject to any overriding statutory provision and provided that such liability under those provisions shall be limited to the replacement of the goods as supplied or the rendering again of the services that are provided. The buyer accepts and uses this product subject to these conditions.

SAFETY DIRECTIONS
Avoid ingestion and inhaling product. Avoid contact with the eyes and skin. Wash hands after use.

CARE OF EQUIPMENT
This product can be corrosive to metals. Clean equipment after use, and follow manufacturer’s maintenance advice. Bins and equipment used to transport, store and handle fertiliser should be thoroughly cleaned before being used for other purposes.

This label complies with the Fertilizer Australia National Code of Practice for Fertilizer Description and Labelling.
